## **Host Family Agreement**

I, \_\_\_\_\_, understand that I am agreeing to become a host parent in the USA International Homestay Program. I agree to follow the homestay guidelines and policies set forth by the program. I agree to submit to a Washington State Patrol background check at a cost to me of \$10.00 per person. I agree to provide a furnished private room, food for breakfast, lunch and a family style dinner. I also agree to engage the host student(s) in conversations, daily activities, and family gatherings. As compensation, the guest student will pay me a monthly stipend every month. I understand that the student makes a month-to-month commitment. I also agree to a month-to-month commitment to the student.

I realize I am an independent contractor. I also realize students are considered adults and they are solely responsible for their behaviors and actions while living in my home.

I understand that I am not obligated to keep any student in my home who is engaging in illegal activities or any activities that I deem harmful, and will contact the housing coordinator immediately, and request the student be removed as soon as possible.

USA International reserves the right to use its own discretion when selecting prospective host families. Applications that contain erroneous or false information are subjected to annulment. USA International and its agents will be held harmless from and against all claims, damages, actions liability, and expense concerning loss of life, or personal property arising from hosting a student or participating in student programs.
